The Six Kalimas: Foundation of Islamic Belief

The Six Kalimas, also known as the six fundamental declarations of faith, hold paramount importance in Islam. Each Kalima encapsulates a core concept of Islamic belief, providing a comprehensive foundation for the faith.

Question 1: What is the purpose of the Six Kalimas?

Answer: The Six Kalimas serve as essential affirmations of faith. They express a Muslim's belief in the Oneness of God (Allah), the prophethood of Muhammad (PBUH), and the teachings of Islam.

Question 2: What is the first Kalima?

Answer: **Tayyaba (Kalima of Purity):** La ilaha illallah (There is no god but Allah) - This Kalima affirms the belief in the Oneness of God, rejecting the worship of any other deities.

Question 3: What is the second Kalima?

Answer: **Shahadah (Kalima of Testimony):** Ash-hadu an la ilaha illallah, wa ash-hadu anna Muhammadan rasulullah (I bear witness that there is no god but Allah, and I bear witness that Muhammad is the Messenger of Allah) - This Kalima acknowledges Muhammad (PBUH) as the final Prophet and Messenger of God.

Question 4: What is the third Kalima?

Answer: **Tamjeed (Kalima of Glorification):** Subhanallah (Glory be to Allah) - This Kalima expresses praise and reverence for God's greatness and perfection.

Question 5: What is the fourth to sixth Kalimas?

Answer: The fourth to sixth Kalimas focus on seeking God's protection and guidance. They include:

- **Tahleel (Kalima of Sanctification):** La hawla wa la quwwata illa billah (There is no power nor might except with Allah)
- **Takbir (Kalima of Exaltation):** Allahu Akbar (Allah is Most Great)
- **Istighfar (Kalima of Forgiveness):** Astaghfirullah (I seek forgiveness from Allah)

Conclusion:

The Six Kalimas are a concise yet profound summary of the essential tenets of Islam. They provide a bedrock upon which Muslims build their faith, affirming their belief in the Oneness of God, the prophethood of Muhammad (PBUH), and the teachings of the Quran. Reciting and contemplating the Kalimas helps strengthen one's connection with God and reinforces the foundation of Islamic belief.

What is the pass mark for SHL verbal reasoning test? A "safe" percentile rank to pass SHL verbal reasoning tests should be at least 75 – your score is higher than 75% of other candidates in the same test. Your passing SHL verbal reasoning tests will depend on two factors: The number of people taking the test with you. The number of people that the employers decide to ...

How do you beat the SHL test? There is no better way to pass the SHL assessments than practicing the test until you ace it. After understanding the logic, question types, and strategies to solve them, you should apply them to your mock tests. There are two notes for you during your practice.

Can SHL detect cheating? Online proctoring is used for some SHL tests; this helps to identify cheating in online tests. Remember, if you cheat and an employer decides to hire you, it may choose to revoke the offer if your performance does not match up to your SHL test results.

Is the SHL test too difficult? The test comes in two versions – interactive and non-interactive. Both versions are highly challenging because they require advanced cognitive skills in numerical and logical reasoning and the capacity to swiftly interpret data within stringent time constraints.

How do you know if you passed SHL assessment?

What happens if you fail the SHL test? Don't worry if you fail the SHL test. You can retake the test at any time. If you don't pass, it doesn't mean you're not smart; it means you're not suitable for the job. So don't give up and keep looking for work until you find the right one.

Does shl use webcam? A webcam is mandatory for the test, so please grant permission to your Browser by clicking on site settings and giving the Camera permission by selecting "Allow".

What is considered a good SHL score?

How hard is verbal reasoning? Verbal reasoning tests are one of the most difficult psychometric tests, especially if language isn't your strong suit. But you can overcome this with preparation.

Is SHL an IQ test? SHL, on the other hand, offers traditional psychometric tests. Broadly speaking these fall into two categories: Measures of aptitude/cognitive ability such as inductive reasoning, numerical reasoning and verbal reasoning. In simple terms, these are intelligence or IQ tests.

How to pass shl verbal test? You can prepare for the test by practicing reading and analyzing text at advanced levels (under immense time pressure). It will also get you more used to the idea of counting only on facts provided by the text, rather than your own knowledge (even in situations when the stated facts are wrong).

Is a calculator allowed in a SHL test? Use of the calculator during the test is not allowed. However, you may use Pen & Paper to do the calculations manually.
