Tourism Provincial Grade 12 March Paper

Question 1: Define tourism and explain its importance.

Answer: Tourism is the activity of traveling to a place for pleasure or business. It is a major industry that generates revenue, creates jobs, and promotes cultural exchange.

Question 2: Describe the different types of tourism.

Answer:

- **Cultural tourism:** Visiting historical and cultural landmarks, attending events, and experiencing local traditions.
- **Nature tourism:** Exploring natural areas, such as parks, beaches, and forests.
- **Adventure tourism:** Engaging in outdoor activities, such as hiking, rock climbing, and bungee jumping.
- **Religious tourism:** Traveling to holy sites or attending religious events.
- **Medical tourism:** Seeking healthcare services in a foreign country.

Question 3: Discuss the factors that affect tourism demand.

Answer:

- **Economic factors:** Income levels, exchange rates, and consumer confidence.
- **Social factors:** Demographics, education, and cultural values.
- **Technological factors:** Travel innovations, online booking platforms, and social media.
- **Environmental factors:** Weather, climate change, and natural disasters.
- **Political factors:** Visa policies, security concerns, and government regulations.

Question 4: Explain the role of the government in tourism development.

Answer: The government plays a crucial role in tourism development through:

- **Promotion:** Marketing the destination and attracting visitors.
- **Infrastructure:** Developing roads, airports, and other tourism-related infrastructure.
- **Regulation:** Establishing standards, licensing businesses, and protecting the environment.
- **Incentives:** Offering tax breaks and financial assistance to tourism businesses.
- **Collaboration:** Partnering with private sector stakeholders to develop and manage tourism destinations.

Question 5: Discuss the environmental and social impacts of tourism.

Answer: Tourism can have both positive and negative environmental and social impacts, including:

- **Positive impacts:**
  - Economic benefits for local communities
  - Preservation of cultural heritage
  - Increased awareness of environmental issues

- **Negative impacts:**
    - Pollution and waste disposal
    - Overcrowding and damage to natural ecosystems
    - Social disruption and exploitation
    - Displacement of local residents

Underground to Canada: Questions and Answers

1. What is the Underground Railroad?

The Underground Railroad was a network of secret routes and safe houses used by enslaved people in the United States to escape to freedom in the north or Canada during the 19th century.

2. Who were the "conductors" on the Underground Railroad?

Conductors were individuals who helped enslaved people navigate the Underground Railroad. They provided transportation, hiding places, and information to aid in their escape. Notable conductors included Frederick Douglass, Harriet Tubman, and William Still.

3. How did enslaved people learn about the Underground Railroad?

Enslaved people often learned about the Underground Railroad through word of mouth or from fellow slaves who had already escaped. They communicated using coded language and symbols to avoid detection.

4. What was the role of Canada in the Underground Railroad?

Canada played a crucial role as a destination for escaped slaves. The British government abolished slavery in Canada in 1834, making it a safe haven for those seeking freedom. Many escaped slaves settled in Ontario, Nova Scotia, and other Canadian provinces.

5. What was the significance of the Underground Railroad?

The Underground Railroad was a remarkable feat of human resilience and a major chapter in the fight against slavery. It helped thousands of enslaved people to escape to a life of freedom and dignity. The Underground Railroad also contributed to the growing sentiment against slavery in the United States, ultimately leading to the Civil War and the abolition of slavery in 1865.
